## EDUCATION

### **Kennebunk Highschool, Kennebunk ME —**

I graduated a year early with the class of 2020 as a junior.

### **University of New Hampshire Coding Bootcamp-**

I'm currently enrolled in their Full-stack Development Bootcamp.

## EXPERIENCE

### **Kennebunk Bicycle Company, Kennebunkport, ME — Sales/Mechanic**

2015 - June 2019

When I first started working there, I did sales, then throughout the years I worked on bikes and managed the shop.

### **Coastal Maine Kayak and Bike, Kennebunkport ME — *Assistant Manager/ Mechanic***

June 2019-September 2020

I worked on the shop's rental bikes as well as customers' bikes. I also was on the sales floor helping customers find the right bike for them and size them to it.

July 2019- September 2019

### **Nautilus Construction-carpenter**

November-March

### **Triangle Design Company**

My role is assembling high-purity gas manifolds and wiring control panels.

March-Present

## VOLUNTEER WORK

### **Trail cleanup at Kennebunkport Conservation Trust Land-**

For my community service hours and for enjoyment I spent time cleaning up trails at the KCPT land and my favorite trail system Smith Preserve.
